

UPPCC[®]

**UNIVERSAL PUBLIC PROCUREMENT
CERTIFICATION COUNCIL**

Five Year Strategic Plan Summary – 2021-2026

About UPPCC

The Universal Public Procurement Certification Council (UPPCC) was established in 1978. The core functions of UPPCC include:

- To establish, monitor & revise requirements for certification (CPPO & CPPB)
- To continue research to improve certifications
- To coordinate with strategic partners to enhance resources & training to support the professionals we serve
- To promote the public procurement profession

Guiding Principles

We have updated our Vision, Mission and Values

Vision

To be the global, premier, independent resource in public procurement.

Mission

To set public procurement standards of knowledge and competency and assess individuals against those standards.

Values

- Integrity
- Excellence
- Passion
- Responsiveness
- Collaboration

.....to reflect the expanded role and vision for UPPCC in global public procurement.

Strategic Themes/Objectives

We will focus on three strategic themes (The Three C's) and six strategic objectives to achieve the new UPPCC vision.

Certification

1. Update and Upgrade Operations to Improve the Applicant/Candidate Experience
2. Develop New Products and New Markets to Raise the Bar for the Profession

Content

3. Ensure Continuous Exam Cycle Updates for Knowledge, Competency & Resources
4. Develop & Share Information with Strategic Partners to Enable Learning & Growth

Community

5. Increase Opportunities to Connect with the Public Procurement Community
6. Engage with the New Generation of Public Procurement Professionals

Success Measures
